INDEPENDENT AUDITORS' REPORT

To the Board of Directors of Union Gospel (Heatley) Housing Society

Report on the Audit of Financial Statements

Opinion

We have audited the financial statements of Union Gospel (Heatley) Housing Society (the "Society"), which comprise:

- the statement of financial position as at June 30, 2022
- the statement of revenue and expenses for the year then ended
- the statement of changes in net assets for the year then ended
- the statement of cash flows for the year then ended
- and notes to the financial statements, including a summary of significant accounting policies

(hereinafter referred to as the "financial statements").

In our opinion, the accompanying financial statements as at and for the year ended June 30, 2022 of the Society are prepared, in all material respects, in accordance with the financial reporting provisions of sections 5.11 and 5.12 of the operating agreements for Hastings Street and Maurice McElrea Place (collectively, the "Agreements") between the Society and British Columbia Housing Management Commission ("BCHMC").

Basis for Opinion

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the "**Auditors' Responsibilities for the Audit of the Financial Statements**" section of our auditors' report.

We are independent of the Society in accordance with the ethical requirements that are relevant to our audit of the financial statements in Canada and we have fulfilled our other ethical responsibilities in accordance with these requirements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Emphasis of Matter – Financial Reporting Framework

We draw attention to Note 2 in the financial statements, which describes the applicable financial reporting framework and the purpose of the financial statements.

As a result, the financial statements may not be suitable for another purpose.

Our opinion is not modified in respect of this matter.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

Management is responsible for the preparation of the financial statements in accordance with the financial reporting provisions of sections 5.11 and 5.12 of the Agreements between the Society and BCHMC; this includes determining that the applicable financial reporting framework is an acceptable basis for the preparation of the financial statements in the circumstances, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Society's ability to continue as a going concern, disclosing as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Society or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Society's financial reporting process.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion.

Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists.

Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the financial statements.

As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit.

We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion.

The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Society's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Society's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Society to cease to continue as a going concern.
- Communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Report on Other Legal and Regulatory Requirements

As required by the Societies Act (British Columbia), we report that, in our opinion, the accounting policies applied in preparing and presenting the financial statements in accordance with the financial reporting provisions of the Agreements between the Society and BCHMC have been applied on a basis consistent with that of the preceding period.

UNION GOSPEL (HEATLEY) HOUSING SOCIETY

Notes to Financial Statements

Year ended June 30, 2022

1. Operations and basis of presentation:

Union Gospel (Heatley) Housing Society (the "Society") is a not-for-profit organization incorporated under the laws of British Columbia and is registered under the Societies Act (British Columbia). The Society is exempt from income taxes under section 149(1) of the Income Tax Act.

The Society operates two housing projects: Maurice McElrea Place Division and Hastings Division (the "Divisions"). Maurice McElrea Place Division, located on Heatley Avenue, Vancouver works in conjunction with Union Gospel Mission (the "Mission") to provide fixed term rental housing for low-income individuals. Hastings Division, located on East Hastings Street, Vancouver works in conjunction with the Mission to provide affordable transitional housing for individuals who are homeless or at high risk of becoming homeless because of a physical, social, or mental condition or disability.

2. Basis of accounting:

These financial statements have been prepared in accordance with the financial reporting provisions of sections 5.11 and 5.12 of the operating agreements ("Agreements") with BC Housing Management Commission ("BCHMC"). These financial statements are prepared to assist the Society to meet the requirements of BCHMC. As a result, these financial statements may not be suitable for another purpose.

Management of the Society has prepared these financial statements in a manner consistent with generally accepted accounting principles ("GAAP") with some differences as noted below. Management has interpreted GAAP to be the recognition and measurement principles of Canadian Accounting Standards for Not-for-Profit Organizations ("ASNFP").

The basis of accounting used in these financial statements materially differs from ASNFP as follows:

- The replacement reserve account is funded by an annual charge against earnings of the General Fund and recorded as a direct increase in the Replacement Reserve fund on the Statement of Changes in Net Assets. Interest earned on reserve funds is included in the reserve. Expenditures are charged against the reserve in the year they are incurred.

3. Significant accounting policies:

(a) Capital assets and land lease:

Capital assets and land lease are stated at historical cost and amortized over the useful life of each asset as follows:

Asset	Basis	Rate
Buildings	Straight-line	35 years
Equipment	Straight-line	5 years
Land lease	Straight-line	60 years
Furniture and fixtures	Declining balance	30%

UNION GOSPEL (HEATLEY) HOUSING SOCIETY

Notes to Financial Statements (continued)

Year ended June 30, 2022

3. Significant accounting policies (continued):

(a) Capital assets and land lease (continued):

The Society reviews the carrying amount of capital assets for impairment whenever events or changes in circumstances indicate that the asset no longer contributes to the Society's ability to provide services, or that the value of future economic benefits or service potential associated with the asset is less than its carrying amount. If such conditions exist, an impairment loss is measured and recorded in the Statement of Operations at the amount by which the carrying amount of the asset exceeds its fair value or replacement cost.

(b) Revenue recognition:

The Society uses the deferral method of accounting for contributions.

Rental, subsidies, and other income are recognized as revenue in the year they are earned. Related amounts receivable is recorded if the amount to be received can be reasonably estimated and collection is reasonably assured.

Interest and other investment income are recognized when earned.

(c) Replacement reserve:

A replacement reserve is maintained to provide for future asset replacement and major maintenance. This replacement reserve is created by appropriations from the excess of revenues over expense and is recorded as an expense in the year of appropriation. Disbursements are charged against the reserve in the year they are incurred.

(d) Rent subsidy adjustments:

BCHMC conducts an annual review of the Society's financial performance and may adjust for any operating surplus or deficit. Prior year funding adjustments are recognized in the fiscal year in which they are determined.

(e) Financial instruments:

Financial instruments are recorded at fair value on initial recognition. Equity instruments that are quoted in an active market are subsequently measured at fair value. All other financial instruments are subsequently measured at cost or amortized costs unless management has elected to carry the instruments at fair value. The Society has not made this election.

Financial assets are assessed for impairment on an annual basis at the end of the fiscal year if there are indicators of impairment. If there is an indicator of impairment, the Society determines if there is a significant adverse change in the expected amount or timing of future cash flows from the financial asset. If there is a significant adverse change in the expected cash flows, the carrying value of the financial asset is reduced to the highest of the present value of the expected cash flows, the amount that could be realized from selling the financial asset or the amount the Society expects to realize by exercising its right to any collateral. If events and circumstances reverse in a future period, an impairment loss will be reversed to the extent of the improvement, not exceeding the initial carrying value.

UNION GOSPEL (HEATLEY) HOUSING SOCIETY

Notes to Financial Statements (continued)

Year ended June 30, 2022

3. Significant accounting policies (continued):

(e) Financial instruments (continued):

Unrestricted and restricted cash consist primarily of interest bearing savings accounts.

(f) Measurement uncertainty:

The preparation of financial statements requires management to make estimates and assumptions that affect the reported amount of assets and liabilities, disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the period. Such estimates include determination of useful lives of capital assets for the purposes of amortization. Actual results could differ from these estimates.

4. Capital assets:

			2022	2021
	Cost	Accumulated amortization	Net book value	Net book value
Buildings	\$ 5,228,124	\$ 2,961,517	\$ 2,266,607	\$ 2,415,982
Equipment	158,014	131,087	26,927	43,101
Furniture and fixtures	268,990	264,070	4,920	7,029
	\$ 5,655,128	\$ 3,356,674	\$ 2,298,454	\$ 2,466,112

The prepaid land lease is amortized on a straight-line basis over the remaining term of the lease. The land lease is for a 60-year term expiring on September 4, 2061.

6. Restricted cash:

Restricted cash has been set aside for the following purposes:
